The Chapter Development Committee is busy beginning preparations for the Free Singing Lessons program which starts on March 29. We have gathered enough information to physically put on the program once it begins. Now we have to put everything together. We still need music for the new student folders. Hopefully, we can include in the folders; a couple of tags; any teaching materials; music for the songs that the student will eventually be invited to sing with us at the USO show; copies of the polecat books; and polecat discs to date.

We have one sign-up for the lessons. I have been asked by Bill Faught whether he could attend the classes.

Things are looking good!
