

PAMV Chapter BHS Music & Performance Report for January 10, 2015 Board Meeting

All-Day Chorus Workshop. Due to difficulties in scheduling outside coaches for Saturdays, we'll probably be holding a workshop on 2/21 or 2/28 featuring Sean and Paul, concentrating on our contest package ("Daddy's Little Girl" and "Do You Remember"). On a Thursday evening, we'll have an outside coach (probably Ron Black or Chris Hébert) instead of a normal chapter meeting.

Video Recording. Jerry Wong has started to record chapter meetings. He will be putting the video/audio recordings on a server and sending a link to all chapter members. This will allow everyone to refresh his memory of what we covered and to see how we look on camera (=on stage).

- Terry Moore, VP of Music and Performance
