

PAMV Chapter BHS Music & Performance Report for April 11, 2015 Board Meeting

The Music Team met on April 9, 2015.

Outside coaching. We have another outside coach, Darin Drown, scheduled for June and September.

Spring Show. We'll be doing run-throughs of the upcoming show at our weekly chapter meetings, as the stage at Woodside High School won't be available for rehearsal. The new songs are mostly learned, although we have a few places for improvement.

Policy for chapter quartet performances. We decided to adapt the current policy regarding quartets performing on chapter shows to apply to quartets representing the chapter at other singing venues. A full policy will be published for the chapter.

FWD-NW Convention follow-up. We did well at the recent convention, moving up to 70.3 average score. Even though we took the AA championship, we didn't get the "most improved chorus" award. In the next few months, we'll concentrate on keeping the skills we demonstrated and improving with a goal of 75.

Voice Lessons. Details will be worked out after the 4/25 show.

Quartet activities will resume at chapter meetings after the 4/25 show.

FWD Convention in Mesa. With our success at the recent convention, we're looking forward to an even better showing at the fall convention.

Performance on May 30. Dave Kocharhook will get more information from Jim Turner, who has arranged this. We didn't have enough details at the Music Team meeting to decide whether it would be a good performance opportunity for us.

- Terry Moore, VP of Music and Performance
