

# **PAMV Chapter BHS Music & Performance Report for May 2, 2015 Board Meeting**

The Music Team last met on April 9, 2015. Our next meeting will be on May 7.

**Outside coaching.** We have an outside coach, Darin Drown, scheduled for June and September.

**Spring Show.** The show was an artistic success. Audience members were pleased and the chorus and director were happy with our performance. See other reports for the financial picture.

**Policy for chapter quartet performances.** The quartet policy still needs to be published. It is substantially identical to the policy for quartets performing on chapter shows.

**New repertoire.** Several quick-to-learn songs are being introduced.

**Voice Lessons.** Details are being decided by Paul Eastman and Andy Maurer.

**Quartet activities** will resume at chapter meetings starting on 4/30.

**FWD Convention in Mesa.** With our success at the recent convention, we're looking forward to an even better showing at the fall convention, assuming that we continue to hone our skills.

**Performance on June 21.** We haven't learned details such as performance time. (The organizers are not very organized.) If we don't get a firm time by mid-May, we'll cancel this performance.

- Terry Moore, VP of Music and Performance
