

PAMV Chapter BHS Music & Performance Report for July 11, 2015 Board Meeting

The Music Team last met on May 7, 2015.

Joint Performance with SAI BASC for Voice Clinic students. This was fun for our members and for the SAI members; we'll probably have another such performance, singing another song together. Details have not been worked out.

New repertoire. After introducing several new songs last month, we don't have any more for the near future, as we're still learning the recently-introduced songs. We may not need any more songs for the Cabaret show, since we have several chapter quartets.

FWD Convention in Mesa. We have fairly good representation in all sections for the convention. We're scheduled to perform fifth of 22, so will probably want to rehearse in Mesa before the quartet semifinals start, i.e., late Friday afternoon, and get a good night's sleep.

- Terry Moore, VP of Music and Performance

Upcoming musical dates:

8/8 Palo Alto Farmers' Market performance
9/19 All-Day Workshop with Darin Drown (location TBD)
