

PAMV Chapter BHS Music & Performance Report for August 13, 2016 Board Meeting

Repertoire. All songs for the fall Cabaret show have been distributed, and have rehearsed most of them together as a chorus.

Chorus Workshop (August 6). We improved our singing skills, assisted by Darin and Sean. We specifically ignored moves, but will work on them Thursday evenings.

Future music selection. The Music Team will be meeting later in the summer to discuss repertoire for future shows and competitions.

Budget. We've over-spent our budget for sheet music and learning recordings by \$1809. Unless we find \$1800 under a rock, we need to curtail purchase of new sheet music and recordings. We probably need to explore new fund-raising methods for the chapter so we can continue to enjoy learning new music.

- Terry Moore, VP of Music and Performance
