

PAMV Chapter BHS Music & Performance Report for November 5, 2016 Board Meeting

Repertoire. Songs for the Cabaret shows are being rehearsed. Songs for the 2017 spring show are partially-decided.

Riser placement. We'll probably not be arranged in sections for the Cabaret shows, but will instead be in several small groups, each containing all parts. This allows everyone to hear all parts, facilitating better blending. It makes performance harder for "leaners", but everyone agrees that individuals are responsible for knowing their parts.

Budget. The appeal for additional donations from members has been successful, so we have funds for expected expenses through the end of 2016. Planning for long-term funds is yet to be done, probably at the December Board meeting. This will allow our current pace of new song introduction to continue.

Spring Show Chairman. Dave K has recruited a spring show chairman.

- Terry Moore, VP of Music and Performance
