

PAMV Chapter BHS

Music VP Report for November 12, 2011 Board Meeting

The Music Team met on November 2.

Planning for the spring show is proceeding. Ian is developing a script. There are several headliner quartets being considered, but none has yet been booked. No show chairman has been selected.

Tags will become part of the quartet program at chapter meetings.

The Peninsulaires placed ninth in the FWD last month, the best we've done in decades!

The CACM program will be re-initiated, with chapter members being given roles to help develop their musical talents.

A new song (How Could You Believe Me?) is being added to the Peninsulaires' repertoire, and another (Sleigh Ride) to the Holiday Chorus repertoire.
