

PAMV Chapter BHS

Music VP Report for January 7, 2012 Board Meeting

The Music Team has not met since the previous Board meeting on December 10.

We've discussed (via email) songs to be added to the repertoire for the Spring Show, and have several possibilities.

Paul Eastman has volunteered to write weekly emails summarizing the meeting/rehearsal. This email will also be internal marketing to our members, recalling the fun and sense of achievement from the previous meeting and motivating us to keep the momentum for next week.

The Music Team would like to see the Program VP or his assistant run the weekly chapter meetings, but uncertainty in the weekly music program has prevented it. The Director will work with the Program VP to accomplish this.

Quartet activities at chapter meetings are resuming after the Holiday Chorus hiatus. Focus will initially be on Valentines performances.

Paul Eastman and John Hinkle are planning another Voice Clinic in the late spring or early summer, perhaps including an advanced group. Details, including dates, are still being determined.

We need chairmen for the spring show and for the Cabaret.
