

PAMV Chapter BHS Music & Performance Report for May 3, 2014 Board Meeting

The Music Team did not meet in April.

Search for new Director. Jim Sherman is refining the list of candidates, eliminating some and adding others.

Voice Clinic May 20 – June 24. We'll limit signups to 40 men. Paul Eastman and Andy Maurer are proceeding with planning.

Harmony University. In addition to promoting attendance by our members, we can urge music educators to attend. Music educators can get a scholarship, funded by the Harmony Foundation. We could offer to pay airfare to/from Nashville. We'd need to contact and recruit an educator to attend.

Youth Harmony Camp. Richard Lund has sent a request for donations from chapters to underwrite the cost of this camp. It's a great opportunity to instill a love of barbershop singing in young men. We can help in three ways: (1) PAMV donates to the camp (2) PAMV members volunteer to help at the camp (3) PAMV recruits young men to attend the camp, possibly by paying their way (\$85 each). We have donated previously and should do so again this year. Steve Sammonds has volunteered in the past and, as expected, thoroughly enjoyed the experience. I don't believe that we've ever sponsored anyone to attend the camp, so it's time to start. See <http://yih.farwesterndistrict.org/youth-harmony-camp> for details.

- Terry Moore, VP of Music and Performance
